Package D – pX Healthy Relationships 101

The turnkey delivery of a 75-minute workshop designed to provide a common foundation of key concepts involving sexuality (gender, sexual orientation, etc.) and the signs of healthy/unhealthy/abusive relationships online and off. In addition to participating in digital art and media-making, youth will also complete in-app activities, like the relationship quiz, that foster social-emotional learning.

- 1 **portraitX Workshop** (75 min) delivered to one class of up to 30 participants.
- Use of **portraitX App on our iPads** through a secured network (LTE)
- 2x Trained trauma-informed **portraitX Moderators** to deliver the program in the presence of the teacher/in-school resource person
- Workshop content includes curriculum, activities, discussions, digital art & media-making
- Online glossary & resources
- Workshop handouts (1 per student)
- Emotional self-portrait artwork 4"x 6" print (1 per student)
- portraitX stickers
- Social media posts (3 Instagram / 3 Facebook - validated by school)
- Custom scheduling for program delivery
- Onsite set-up/ wrap-up

The price for Package D – pX Healthy Relationships 101 is available upon request.

Package E – pX Training Package

The turnkey delivery of two 180-minute (3 hr) workshops designed to build fundamental skills through key concepts related to youth sexuality and health (relationships, social-emotional competencies, gender, consent, etc.). With this training, participants will be equipped with the tools and resources required to provide a safer and inclusive space for all students. In addition to interacting with the portraitX app and engaging in digital art-making, participants will learn how to become trauma-informed and to teach with empathy within the classroom setting.

- **2 portraitX Training Workshops** (180 min each) delivered to one group of up to 30 participants
- Use of **portraitX App on our iPads** through a secured network (LTE)
- **2x portraitX Moderators** to deliver the training program
- Workshop content includes curriculum, activities, discussions, media-making, Q&A
- Access to the **Professional Development Tools** on the portraitX website, including the Teacher's Toolkit, trauma-informed resource documents and more
- **Online Quiz**
- **Workshop handouts** (1 per participant/per workshop)
- **Online Glossary & Resources**
- **Custom Community Resource Map** (when within one targeted community)
- **Participant artwork** 4"x 6" print (1 per participant)

Package E – pX Training Package price is available upon request.
