Package E – pX Training Package

The turnkey delivery of two 180-minute (3 hr) workshops designed to build fundamental skills through key concepts related to youth sexuality and healthy relationships. With this training, participants will be equipped with the tools and resources required to provide a safer and inclusive space for all students. In addition to interacting with the portraitX app and engaging in digital art-making, participants will learn how to become trauma-informed and to teach with empathy within the classroom setting.

An onsite demo and a series of four live webinars will serve as a followup to the in-person training and provide opportunities for support and feedback.

- **2 training in-person workshops** (180 min each) delivered to a group of up to **30 participants**
 - Use of **portraitX App on iPads / digital workshop content** that includes curriculum, activities, discussions, media-making, Q&A
 - Access to **professional development tools** including the Teacher's Toolkit, trauma-informed resources and video tutorials
 - **Workshop handouts** (1 per participant/per workshop)
 - **Online glossary & resources**
 - **Participant artwork** 4"x 6" print (1 per participant)
- **Demo of one portraitX workshop on location** (60 min)
- **4 live professional development webinars** (60 min each)

Package E – pX Training Package price is available upon request.
